## Your OPINION Matters

We would like to have feedback from our members on our events and tastings to help us with future planning. Please feel free to approach any executive member or email your thoughts to: [southworldwine@hotmail.com](mailto:southworldwine@hotmail.com). Here are some of the areas where we would like your opinion and input.

**News by Email:** We are considering making a move to sending out Tasting Notices and Newsletters by Email rather than mail copies. The advantages of this change would be: lower cost, faster distribution, ease of access, and it's easy to forward to your friends to invite them to a tasting. We realize that some members may not have emails or still wish to receive a paper copy in the mail. Let us know how you feel.

**Event Format and Venue:** We welcome your ideas on new types of events – for example – would you like more dinner events (at higher costs), wine and cheese, more information on wineries or countries.....?
